

We are halfway into the year and looking forward to supporting you in closing out 2022 **strong**!

Things have been busy over at **Fab Brands** and we would like to give our sincere thanks to you for your continued business. To that end, we have a couple of exciting updates to share with you!

## **WE'VE MOVED!**

We recently moved into a larger (& more posh) office space and are looking forward to working with you in our new home. Please update our mailing address in your records to:

2188 SW Park Place, Suite 101 Portland. OR 97205

We are now housed in the historic *Lang House* in the King's Hill neighborhood, about two blocks above the Multnomah Athletic Club. Our new office space now occupies what was once the first floor formal drawing room of this historic home.

## **WELCOMING A NEW TEAM MEMBER!**

We also grew our team, and welcomed Marketing Coordinator *Kaïa Kirkbride* into our Fab Brands family. Moving forward, she will be handling all of your new project submissions. So please reach out to Kaïa at *admin@fab-brands.com* and cc me *beth@fab-brands.com* to begin all future projects with us. Kaïa's customer service skills are above and beyond, and I am certain you will enjoy working with her as much as we do! She has a wealth of talent and will support the team in a wide variety of areas, including project management, graphic design, writing, and social media marketing.

## We Got an Award! (Blush....)

We're used to being in the position of promoting our clients and bragging about them. So it's a bit unusual for us to toot our own horn, but here it goes... This past spring, we were honored with a Corporate Vision MarTech Award for *Best Visual Design Agency Pacific Northwest*. This honor was due in part to Parker's incredible branding and design skills. We are extremely fortunate to have the agency recognized for the depth of work we provide our clients. You can read more about the award <a href="here">here</a> and learn all about innovation at Fab Brands <a href="here">here</a>.
