

FROM Hunger TO Hope

17th Annual

community food drive

February 26 – April 15 2023

Food insecurity is an even greater issue this time of year, when donations and interest dip after the holidays. Since 2007, Neighborhood House has partnered with faith communities, local businesses, and other SW community groups for SW Hope, a 7-week campaign! SW Hope is much more than a food drive – it is the community's resounding commitment to help neighbors forced to go without.

SW Hope aims to raise \$75,000, which will provide 300,000 pounds of nutritious food. This 3-month supply of meals will feed 9000 food-insecure neighbors who depend on us for this basic necessity. There are several events throughout SW Hope, with a way for everyone to get involved to help neighbors in need.
